**Online Print Costs:**

My online print costs are very low as compared to many other wedding photographers. The standardized prices remain low because I don't like to make money from the work that others do. Here are the prices that you'll see in your online gallery after your wedding is completed:

| Size        | Price   |
|-------------|---------|
| 4x6         | \$2.00  |
| 5x7         | \$7.50  |
| Wallets (4) | \$7.50  |
| 8x10        | \$15.00 |
| 11x14       | \$25.00 |
| 16x20       | \$35.00 |
| 20x30       | \$50.00 |

A 50% deposit is required at the time that the wedding photography agreement is reached. Final payment for services is required in full on/before the day of your wedding. Payment options are non-negotiable. **Cash, check, bank check, Visa, MasterCard, American Express, Discover and PayPal payments are all excepted** - final images are delivered when the check for the balance of payment clears my bank. Payments via Visa, MasterCard, American Express, Discover and PayPal include a 3% price increase that accounts for the various fees associated with doing electronic business.
